Average weight per piece upon harvest				
What kind (or brand) of fishfeeds were used?				
How much fish feeds were used?				
Start of fish feeding (Date):		End of fish feeding (Date):		

*Kindly fill-out completely the above matrix this will be used to establish the baseline data of fish production from aquaculture operations in Laguna de Bay.

We do hereby certify that the information supplied are true and correct to the best of our knowledge and belief. We understand that the information contained herein shall be subject to verification and that our false statements shall be ground for rejection of this application.

In this regard, we will comply with all directives, rules and regulations of LLDA such that our operations shall conform with the Laguna de Bay Fishery Zoning and Management Guidelines (ZOMAG 2019). This includes our consent to re-align or transfer our fishpen if later found to be outside the designated fishpen belt.

We understand that non-compliance with the existing policies, and the implementing rules and regulations under the 2019 ZOMAG, such as but not limited to, increasing the fishpen area more than what is allowed and/or allocated, transferring the permit or PTO without prior approval by LLDA, operating in one enclosure, owning or operating more than one fishpen area, non-payment of fees and charges, and related violations, will lead to revocation of the issued PTO, payment of fines and penalties, and demolition of our fishpen area.

IN WITNESS HEREOF, and as proof of our compliance with LLDA rules and regulations, and our deep understanding and acceptance of the consequences if there are evident violations in our operations, we have affixed our signatures below, this _____, 20 _____.

Signature over Printed Name of the Authorized Representative
